LIMITED EDITION OF 12

A true tribute to the Heritage of Craftsmanship, this Limited Edition has 5,236 pieces of Portuguese silver filigree. The technique of filigree dates back to the third millennium B.C., and has been handed down from generation to generation. This ancient art of ornamental openwork wrought of fine silver wire turns this piece into a true objet d'art. It demands great skill, as the curling, twisting and plaiting fine, pliable threads of metal are devised by hand. The pieces are then united in their points of contact by means of silver solder and borax. The Heritage is a jewel for a living space.

The Soft & Creamy Limited Edition Armchair strikes a balance between bold the exquisite legacy of handcrafted upholstery with a contemporary lightness.

Taking its inspiration from a classic wingback chair, it subverts its traditional design with exposed buttoning on the backside of the backrest. The gold leaf on the wood structure enhances the craftsmanship and highend upholstery.

The clean lines and retro silhouette of the Caprice are deceptively simple. Its lush upholstery details and exquisite nails in the back make it an intricate but soothing piece. The Limited Edition reinvents its original form with a play on architectural geometry on its structure and feet.

The Becomes Me Armchair is the epitome of serenity inducing design, along with Munna's exquisite signature finery and craftsmanship. The Limited Edition revisits the concept with its embracing silhouette and luxurious deep seat, sensuous curves and comfortable back. These features perfectly adapt to the body, while its metal structure provides a sense of refuge. Indeed, it becomes you.
